SPECIAL OFFERS

Special offers are coffees that we have discounted for various reasons. It may be because we are overstocked on a particular origin, or that the coffee has fallen below our quality expectations on arrival. In both of these situations, we will discount the coffee. We would much prefer to be transparent about quality and to move the coffee at a loss sooner, rather than let the coffee decline over time - this doesn't do our name, or the producers' name any credit. The coffees have been thoroughly QC'd and the notes below represent the most recent cupping notes. These lots still represent great value and are well suited to a number of applications, including filter and espresso. All sales of 'Special Offers' lots are final.

ETHIOPIA

Huke Washed was processed at a premium site with ripe cherry and excellent practices. The coffee has consistently presented complex florals and delicate stone fruit acidity in the cup, however, at our most recent cupping we found slight paperiness in the cup. We have discounted Huke Washed to cost price to more accurately reflect the current quality and think that with a more developed profile this coffee will excel as a floral and fruit-driven espresso or bold filter offering.

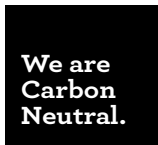

ETHIOPIA, Yirgachefe, Banko Gotiti	Huke Washed Premium	Landrace varieties	Washed	Jul-23	Cherry blossom florals, with lemon, peach and mandarin in the cup. Slight paperiness on the finish.	10	30	Grain Pro	IN STOCK
<i>The container carrying Wako Aba and Addisu Hulichaye was delayed in transit for many months. At our most recent cupping we found that while both coffees still have excellent fruit-forward character and intense sweetness, they also present slight malt and peanut in the cup. Reduced to below cost price, these coffees offer a great opportunity to showcase a single producer Ethiopian lot, without the high price point usually associated with sourcing such rare and traceable coffee lots.</i>									
ETHIOPIA, Gedeo, Kochere	Wako Aba Natural	Landrace & JARC varieties	Natural	Sep-23	Dried cherry and apricot jam, with almond nougat and milk chocolate. Slightly muted in the cup.	35	30	Grain Pro	IN STOCK
ETHIOPIA, Gedeo, Kochere	Addisu Hulichaye Natural	Landrace & JARC varieties	Natural	Sep-23	Creamy white chocolate, green grape and honey with great body and sweetness. Some malt and nuttiness.	32	30	Grain Pro	IN STOCK
