## END OF SEASON SALE\*

We are currently discounting all mid-2022 arrivals by 10% (discount is already applied on listed prices below), to clear stock in our warehouse for recently landed and upcoming arrivals. This is a rare and advantageous opportunity to pick up some high-quality, fully traceable and responsibly sourced lots at great prices! All the coffees have been regularly cupped by our team as part of our standard QC practices and are meeting our quality expectations for sweetness, vibrancy and complexity.

SPECIAL OFFERS\*

Special offers are coffees that we have discounted for various reasons. It may be because we are overstocked on a particular origin, or that the coffee has fallen below our quality expectations on arrival. In both of these situations, we will discount the coffee. We would much prefer to be transparent about quality and to move the coffee at a loss sooner, rather than let the coffee decline over time - this doesn't do our name, or the producers' name any credit. The coffees have been thoroughly QC'd and the notes below represent the most recent cupping notes. These lots still represent great value and are well suited to a number of applications, including filter and espresso. All sales of 'Special Offers' lots are final.

COLOMBIA

We love this sweet and distinct coffee from single producer, William Buitrago, who farms in the high hills of China Alta, Tolima. During our most recent cupping, we noted the coffee has faded since it first landed in August 2023. While it is still presenting great fruit character and a creamy texture we would prefer to move this coffee quickly, by discounting it below cost, than to see the coffee decline further over time. This lot will produce a bold filter offering or a complex and winey single origin espresso.

COLOMBIA, China Alta, Tolima	William Buitrago 'La Esperanza'	Caturra, Colombia	Washed	Aug-23	Sweet and creamy, with soft acidity and a balanced finish. Honey, almond nougat and mandarin.	9	30	Vac Pack	IN STOCK
------------------------------	---------------------------------	-------------------	--------	--------	---	---	----	----------	----------

ETHIOPIA

The container carrying Addisu Hulichaye was delayed in transit. At our most recent cupping we found that while the coffee has distinct fruit-forward character and intense sweetness, it is also presenting some malt and peanut in the cup. Reduced to below cost, Addisu Hulichaye offers a great opportunity to showcase a single producer Ethiopian lot, without the high price point usually associated with such rare and traceable coffee lots.

ETHIOPIA, Gedeo, Kochere	Addisu Hulichaye Natural	Landrace & JARC varieties	Natural	Sep-23	Creamy white chocolate, green grape and honey with great body and sweetness. Some malt and nuttiness.	25	30	Grain Pro	IN STOCK
